Notes to schedule of charges:

- 1 This agreement is with Mattioli Woods Limited, which is the administrator of the scheme.
- 2 All fees are due for payment within 30 days of being invoiced. Interest may be charged for late payment.
- 3 Mattioli Woods Limited will deduct fees from the member's pension audit account and reserves the right to realise any investments to pay these fees if there are insufficient funds.
- 4 The establishment fee and annual fees are payable in advance, invoiced on the scheme anniversary date. All other fees quoted are due on completion of each transaction. All fees are subject to VAT.
- 5 Mattioli Woods Limited will charge for those transactions specified in the schedule of fees. A pro-rata time cost fee will be charged in respect of any cancelled transactions.
- 6 In the event of the scheme structure changing during a scheme year, a pro-rated fee will be levied for any additional annual charge listed above under the optional extras. This will be calculated from the point the change occurs. The pro-rated fee will be invoiced at the next annual invoicing point. The annual fee will not be reduced if the scheme changes to a lower pricing structure during the year, as the decision to include any optional extras in the scheme year has been exercised.
- 7 Mattioli Woods Limited will charge on a time-cost basis for any other non-standard or specialist work requested in relation to any administration, consultancy or trustee services. This will include transactions detailed above, which become more complex. However, we will notify you of any additional costs prior to the completion of the work. Time cost rates may be uplifted or discounted depending on the complexity of the task.
- 8 Any fee will be automatically deducted from the pension audit bank account at the time an investment is made.
- 9 Under HM Revenue & Customs rules, the transfer in of a registered pension scheme where some of the scheme is crystallised may necessitate the establishment of a number of plans within the SIPP. All fees in respect of income payments and statutory reviews as defined in this schedule of fees will be payable for any fully crystallised plans.
- 10 Fees will increase annually on 1 June in line with the rise in the Retail Prices Index (rounded to the nearest £10) over the previous calendar year.
- 11 Mattioli Woods Limited reserves the right to amend the terms and conditions of this agreement and increase the level of charges and fees above the level of any stated increase rate, provided that a written statement to this effect has been sent to the client one month prior to the increase.
- 12 If additional investment types become permitted by HM Revenue & Customs in the future, the above investment fees may be varied.
- 13 All fees must be paid in full or will be deducted from the balance before Mattioli Woods Limited will transfer your fund to a new provider or purchase an annuity. Any funds can be held as a lien for work completed.
- 14 The property administration fee does not cover property management services as per the property purchase notes. It is the responsibility of the member to either appoint a managing agent or manage the property themselves.
- 15 From time to time, Mattioli Woods and the trustee company may incur disbursements acting on the client's behalf, which will be charged for in addition to the other costs (set out above). Occasional disbursements may include, but are not limited to, property valuations, legal and accountancy costs, ancillary actuarial advice, and the establishment and operation of a PAYE scheme for payment of pensions. Mattioli Woods reserves the right to invoice any regulatory disbursements to the client, whether the disbursements are created by regulatory levies or costs incurred with implementing legislative changes.
- 16 Specialist consultancy work will be charged in addition to the fee levels above where a referral to this level has been required. Time cost rates may be uplifted or discounted depending on the complexity of the task. All fees charged include the following: day-to-day administration and scheme enquiries, correspondence with clients, IFAs, professional organisations and product providers, and maintenance of internal record keeping.
